Dedication

Miss June Chatham
Jones County Agricultural High School and Jr. College
Ellisville, Mississippi

Dear Miss Chatham:

Why! You make it hard on a fellow-- don't you? It hasn't been easy making the choices-- the girls are all beauties. The pictures are good. However I feel handicapped not knowing the personality of the contestants. Being a bit old-fashioned, it is always the inner quality in a person that rings a bell with me.

Of course I am fortunate-- my wife is very lovely. She was a beauty contest winner in San Diego a few years ago, but Barbara's real beauty is her nature. She is a wonderful home-maker-- makes all her clothing and my little girl's also. I do alot of her speaking in churches and civic groups, and Barbs usually goes with me. She is just as much at home in a small rural church as she is at a big Hollywood premiere-- a wonderful mixer, and a radiant Christian. This is the beauty that appeals to me.

It isn't easy making the selections-- I'm sure each of these are worthy candidates.
Congratulations and good success to all of you.

Sincerely,

Gregory Walcott

Miss June Chatham
Agricultural High School and Junior College
Ellisville, Miss.

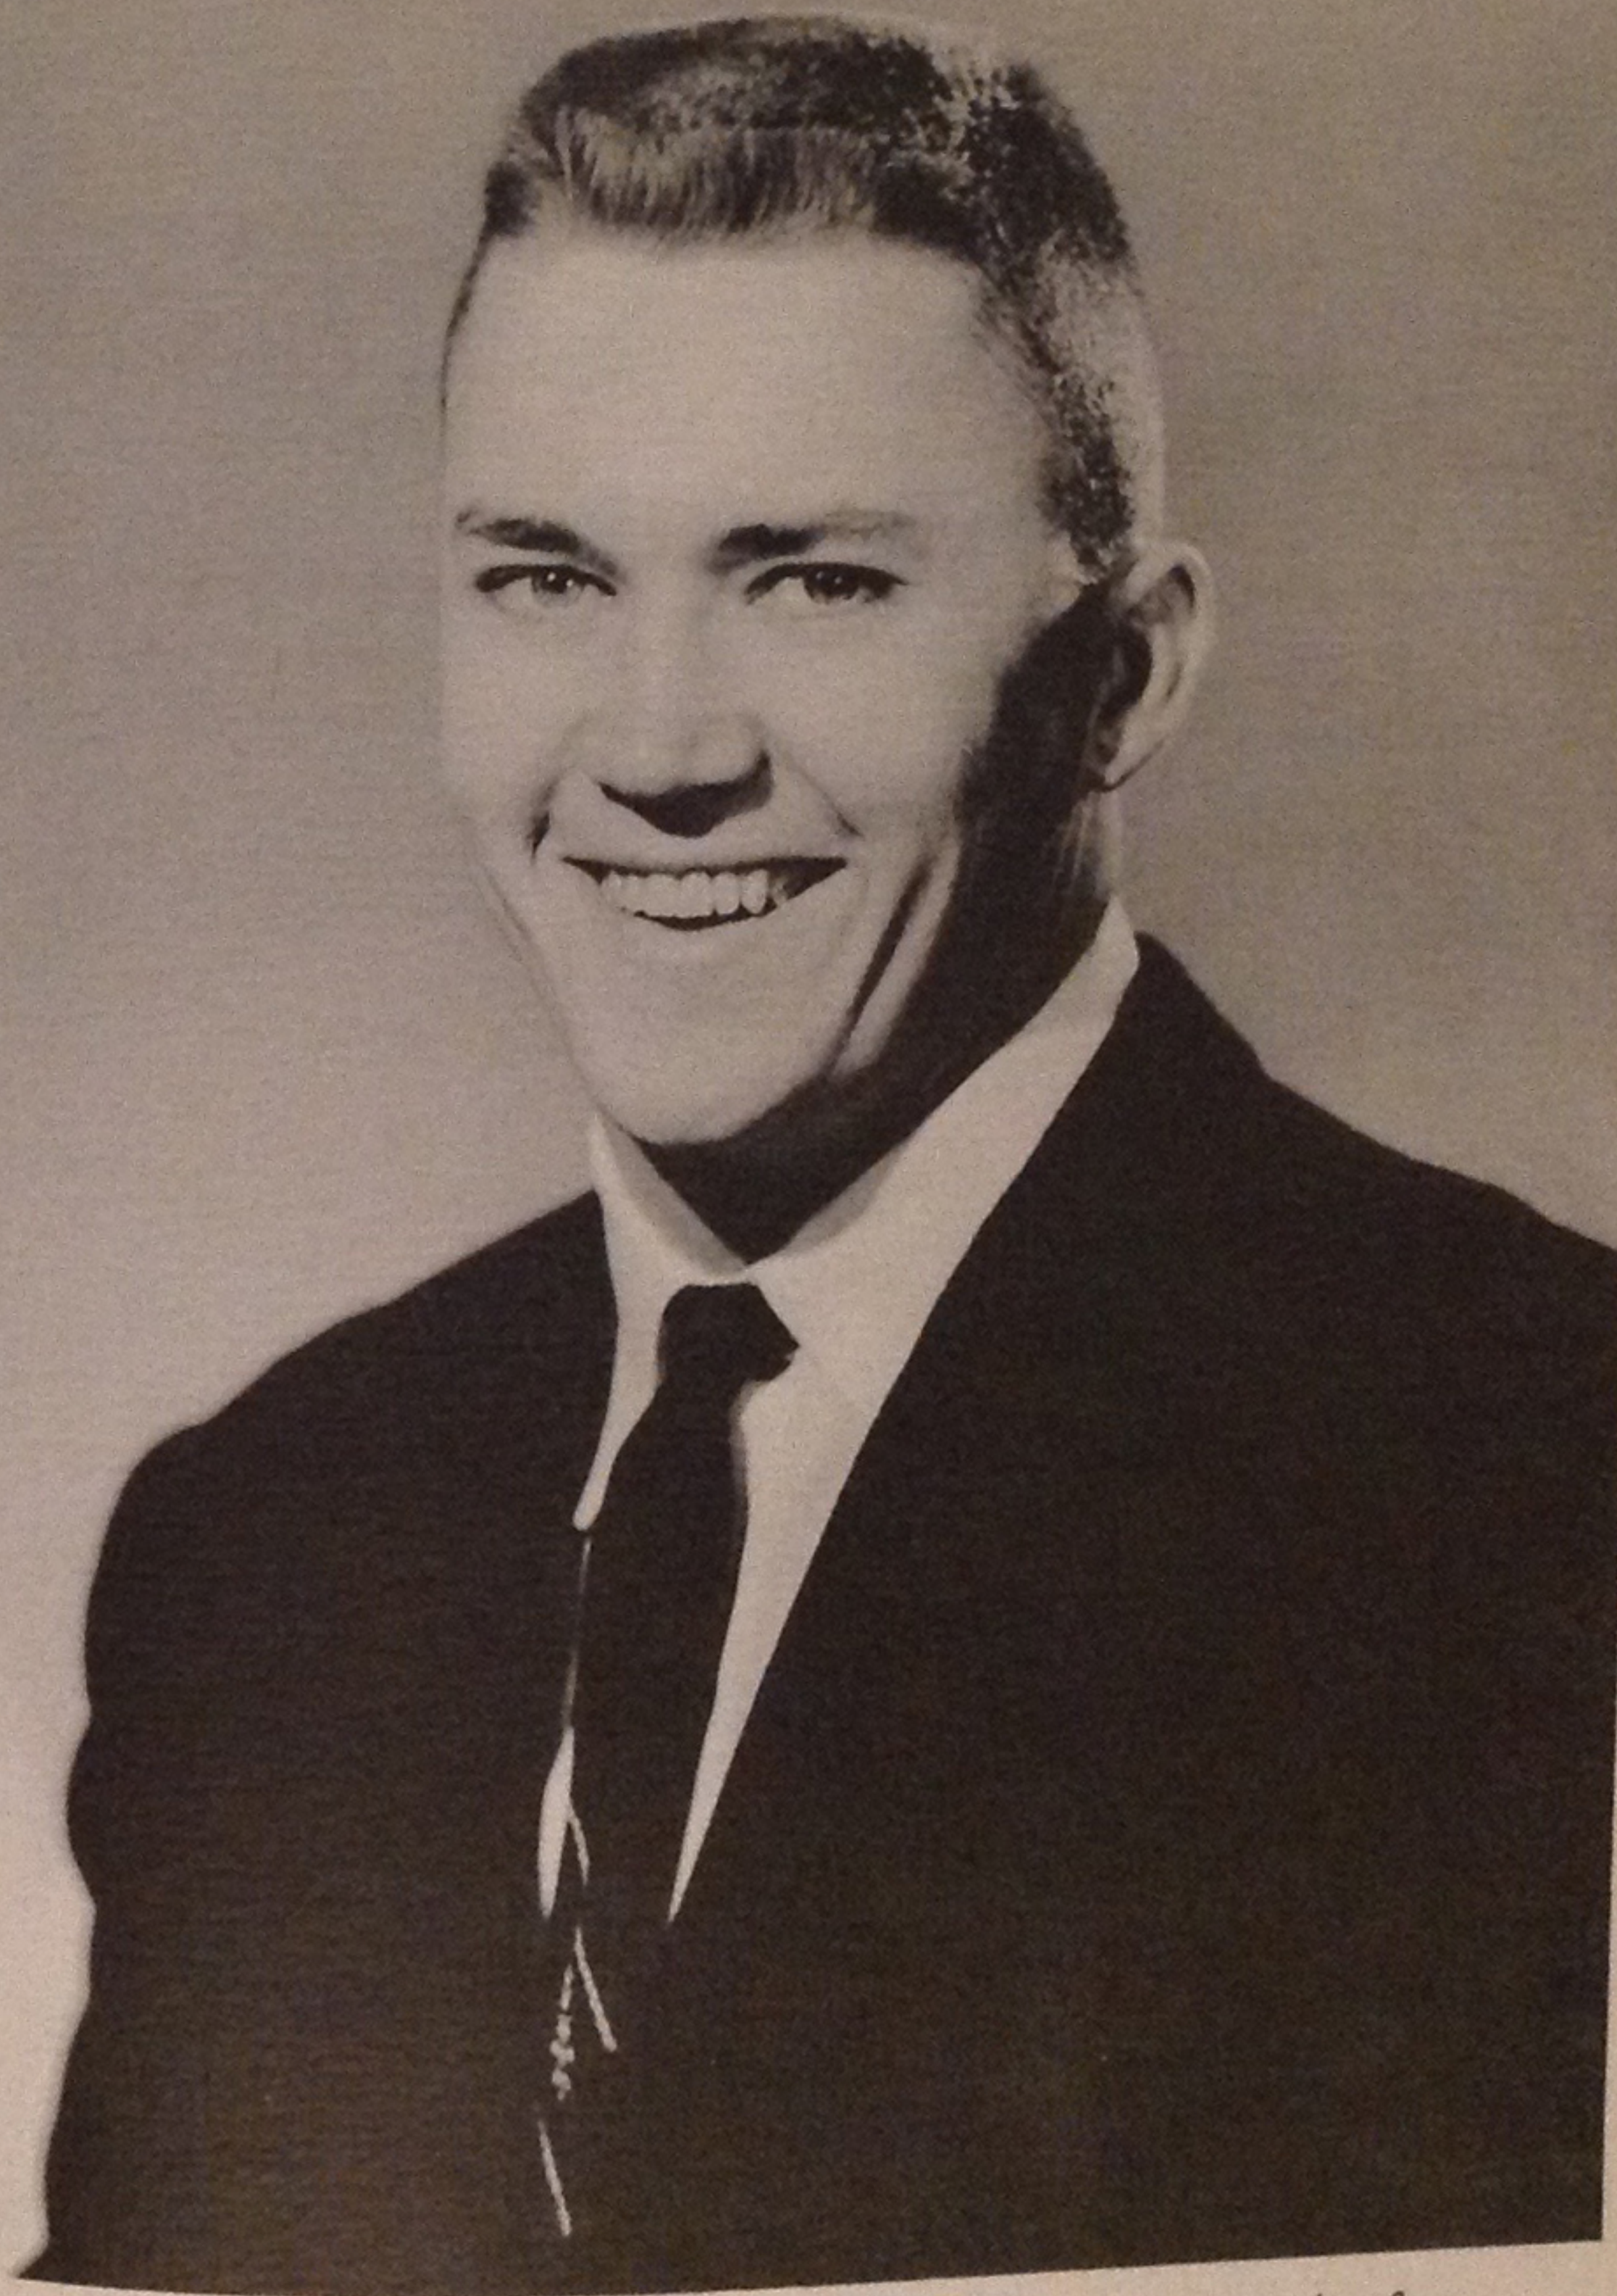

Dear June,

I almost hate to enclose my own picture in such a good looking group with the fear of being shown up by those of you in Ellisville, Mississippi. Believe me, it was a difficult chore trying to choose the best looking from such a fine looking group.

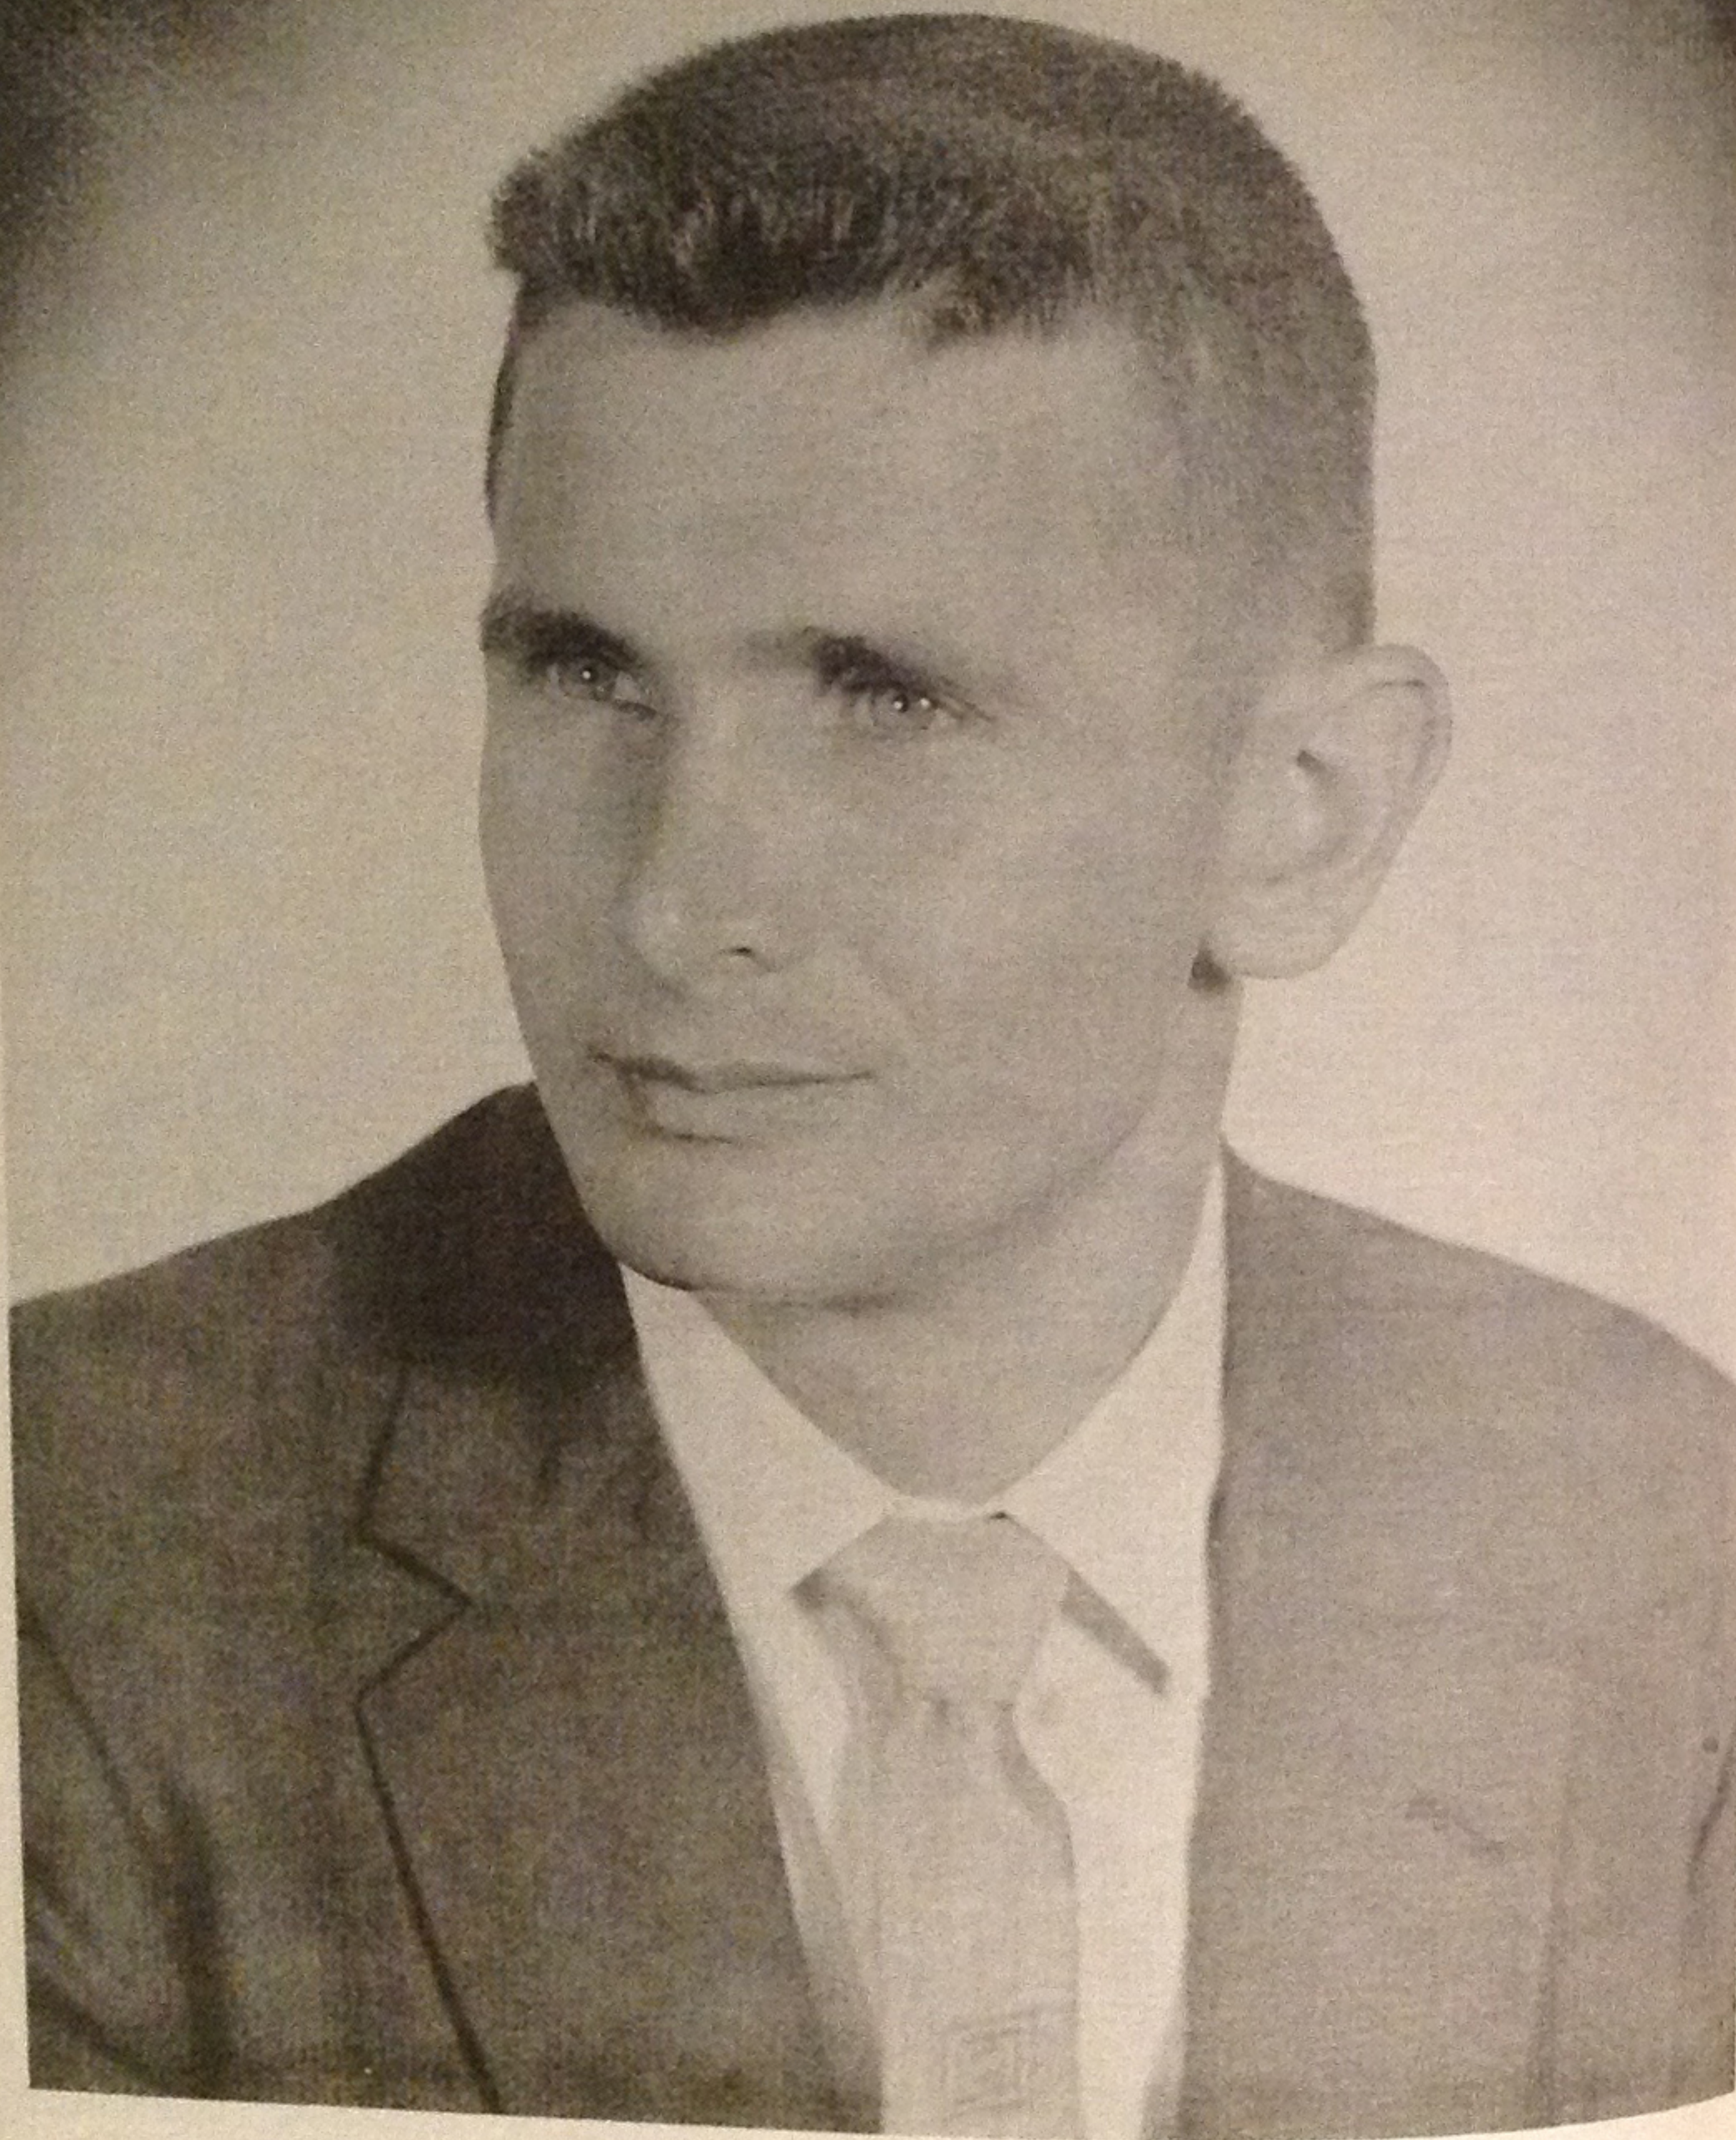

The decisions have been made, however, and I want to take this opportunity to congratulate all of the candidates and wish them all the luck and success I know they deserve. Thanks again for the privilege.

Yours sincerely

Yes....

for more years
than J. C. J. C. is
old, we have been
printing The Radonian.

Back in 1925, when
your "Annual" was a
40-page "Senior Edition,"
later, when it bore the
title "Special Edition,"
and in all the other years,
the Progress-Item has
been your printer.

We consider it an honor and
a privilege that we have been
chosen to produce this im-
portant link in the ever-
lengthening chain of years
that have become the history
of Jones County Junior College.

Here's Wishing for J. C. J. C. Many More, Bigger,
